

POSITION VACANT

MANAGER ENGINEERING SERVICES

We are seeking a dedicated, motivated individual with strong communication and organisational skills to lead our road construction, maintenance and services teams. Extensive hands-on road construction and maintenance experience will be essential.

This position is part of our senior management team and reports directly to the Chief Executive Officer.

The successful candidate will manage, coordinate and improve the activities of Council's Engineering Section including road construction and maintenance, water and sewerage services, town services, workshop, fleet and depots.

This position would be ideal for an experienced Works Manager or Overseer wishing to expand their knowledge and experience in a rural Local Government.

An attractive remuneration package in the order of \$130,000 will be offered to ensure Council attracts the right candidate.

Applications, including details of qualifications, experience and personal particulars, close with the undersigned at 12:00 noon on Monday 3 February 2014. Applications should clearly and succinctly address the position requirements as detailed in the position description.

An information pack may be obtained by contacting the Quilpie Shire Council Customer Service Office on (07) 4656 0500 or by emailing your request to admin@quilpie.qld.gov.au. Details are also available on Council's website at www.quilpie.qld.gov.au
